

# CLIMANIA THE CLIMATE ACTION GAME

QUESTIONS RELATING TO THE BUILT ENVIRONMENT, THEY ENABLE YOU TO OBTAIN RETROFIT COMPONENTS.

GREEN CARDS

ANNOUNCE SOMETHING UNEXPECTED OR NEW AND AFFECTS ONE OR MORE PLAYERS.

JOKER CARDS

## CLIMANIA - SHORT RULES

FOR FULL DETAILS READ THE FULL RULES AVAILABLE AS A RULEBOOK

1. Two to six players start the game with a property to retrofit. There are six different types of properties.
2. To retrofit a property a player has to collect 5 retrofit components by answering questions on green cards.
3. Players only have a set time (agreed beforehand) to reach the centre. Youngest player acts as timekeeper.
4. Players can move in any direction, start the turn by moving two fields before acting. They can't skip turns.
5. Once players move, they land on a coloured field picking up the top corresponding card which will instruct them to act. Once the action is done, it's the next player's turn.
6. Fields that have road markings can only accommodate one player at a time - traffic jams can occur!
7. Players can collaborate! To trade retrofit components they need to be no more than 5 spaces apart.

TESTS HOW WELL YOU AND YOUR PROPERTY HAVE ADAPTED TO CLIMATE CHANGE.
