CLIMANIA

THE CLIMATE ACTION GAME

BIRMINGHAM CITY
University

CLIMANIA The Climate Action Game has been developed by thirteen young people from Balsall Heath, Birmingham working with researchers Claudia Carter and Simeon Shtebunaevev from Birmingham City University. The project collaborators include the GAP Arts Project, The Birmingham Architectural Association, The RTPi West Midlands and Antropocene Architecture School.

Arts and Humanities
Research Council

The "Are you game for Climate Action?" project was funded by the Arts and Humanities Research Council.
